A Fine Future In IBB's Plans

Interfaith Business Builders

Interfaith Business Builders' (IBB's) mission is development of employee-owned cooperative businesses empowering people in Cincinnati's low income communities. IBB and the members of the **Community Blend** co-op are progressing toward opening the Community Blend co-op coffee shop this Spring, featuring fair trade and local refreshments and other products. IBB and the members of **Cooperative Janitorial Services** are steadily expanding their co-op as they continue to fulfill the needs of their clients and work together to create a business that stays current with the economics of our times. IBB is in the midst of a **strategic planning process** intended to build its capacity to develop more co-ops at a faster pace. Details of the plan will be announced later this year. Proceeds from this benefit dinner will help propel Interfaith Business Builders' community empowerment agenda into the future. **Your support means a great deal to us. Thank you.**
